Make Sense

Going to the Edge

If you think doing this is dangerous, what about driving down the highway?
Traffic wrecks remain the leading killer of Sailors.

Dangerous Inverted

Mountain Is Ready For You

Swim

Last words heard.
"Oh, it's not loaded.
I checked it, see ..."
Last sight ... bright flash
Last thought ...
Every Sailor or Marine killed or injured in a firearm mishap directly impacts our ability to carry out the mission.

Last Words Heard

Gun safety

Personal Firearms Safety
1. Treat every firearm as if it is loaded.
2. Always keep the firearm pointed in a safe direction.
3. Always keep the weapon on safe and your finger off the trigger until ready to fire.
4. Always keep weapon unloaded until ready to use it.
